

Welcome to worship at Saint Mark Presbyterian Church

We are thankful to be able to worship together in person in our beautiful sanctuary, but we are mindful that among us will be unvaccinated children and worshipers who are immunocompromised. In consideration for the health and safety of all, for the time being we ask that all worshipers:

- Wear a mask covering both your mouth and nose, even if you are vaccinated, while in the building. (In accordance with current CDC guidelines and now mandated by Montgomery County for public spaces.)
- Sit at an appropriate distance between your family group and other households.
- Refrain from socializing with those outside your family group until after the service, outside the building.
- Stay home and worship through our virtual service option if you are not feeling well, or if you are experiencing a fever or any other symptoms of COVID-19.

Although the text of the service will be projected on our overhead screen, if you would also like a bulletin, please pick one up in the narthex.

Parts of the service will be recorded.

Let us worship God!
